MATSUI KOZAI CO., LTD.
Matsui Machine Ltd.
Stainless Product Co., Ltd.

Thank you very much for coming to INCHEM TOKYO2015

Thank you for visiting our booth in “INCHEM TOKYO 2015” held on November 25-27. We deeply appreciate that our exhibition was very successful due to your support and kindness.

This is our first time to participate in INCHEM TOKYO 2015. Our group consists of three companies, MATSU KOZAI Co., LTD, Matsui Machine Ltd. and Stainless Product Co., Ltd. We participated in INCHEM TOKYO 2015 based on the concept of widely providing “Design, Processing, Fabrication, Completed products” to suit customers’ needs in the field of “Material”, “Processing”, and “Engineering” and introducing the information of our study and technical development.

We can find and provide what helps you to solve your problems so please do not hesitate to contact the following address of each company if you are interested in our products or skills.

We will try and do our best to meet your requests. We hope to receive your continued patronage in the future.
